

GOVERNOR (1993-2003 : LEAVITT) [446]

NEWS CLIPPINGS, 1993-2003.

23.2 cu. ft., 15,530 digital images and pending microfilm

DESCRIPTION: News clippings collected by the Governor's office from various sources. They document, through print and television media coverage, events and activities concerning Governor Michael O. Leavitt. They also include information about issues relating to both the Governor and state, local, federal, or international governments. The office subscribed to a clipping service provided by the Utah Press Association to obtain many of the articles. Contents are photocopies or faxed copies of the original articles. Descriptions, notations on coverage and station information about television coverage were provided by the Utah News Clips service. Staff members highlighted mentions of the Governor in the printed reports that are arranged by date and originally were stored in three-ring binders.

ARRANGEMENT: This series is arranged alphabetically by source, thereunder chronologically by month and year. Rural or weekly newspapers and Daily newspapers are all from Utah, while National or Other may be from other areas.

RELATED RECORDS: PRESS RELEASES, Series 13373, provide information directly released from the Governor's office.

DIGITAL COLLECTIONS: Selected records covering the rural weekly newspapers are available online as part of the Utah State Archives Digital Collections

PROCESSING NOTE: This series was processed preliminarily by Mary Cook in 2004 following the transfer of records from the Governor's office. It will be microfilmed for preservation. Selected records covering the rural weekly newspapers have also been scanned for online access. Scanning was completed by Rodney Swaner in August 2006. It was decided to not transcribe with Optical Character Recognition. This inventory was completed by Gina Strack in January 2007, with an additional box of television clippings located and added in

April 2008.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.

GAPS: The records were filed as received from the office, resulting in a few apparent gaps. These include September 11, 1999 to March 9, 2000, March 13, 2000 to June 1, 2001, and June 3, 2001 to December 31, 2002 in the Daily newspapers plus a number of individual months in the Rural newspapers.
